

The kindergarten kids came up with this list of tools s we have talked about the tools that readers use and the teachers have modeled using different tools.

Our Reading Tools

*Pointing at the words

*Look at the beginning letter

*Ears- listen to hear if it sounds right

*Mouth- sound out the words

*Look at the whole word- look at the beginning, middle, and end of the word

*Eyes- look at the pictures and words together

*Brain- think-Does that make sense?

*Reread- read it again and fix the words that need fixed. Read it again to make sure it makes sense.

*Chunk words- look for parts of the word you already know

*Just read words you know- sight words, names

*Skip or jump over a word, read the rest of the sentence, then go back and figure out the word.
